## About First Fridays

### @ First Methodist

All of our concerts are free and open to the public. We are handicapped accessible with easy and convenient parking.

We periodically have local artists displayed in our art space with new installations opening at the First Friday Noontime Concert. Check each month for great local talent.

Unfortunately, during this time of COVID exposure, we have dropped our refreshment offerings, but you are still welcome to bring your lunch to enjoy during the concert.

The Middletown Community Foundation, the Miriam Knoll Foundation, the Barnitz Fund, and the congregation of the First United Methodist church have all been instrumental in the success of this concert series, now in its 15th year of bringing music to our community!
